2.6 Review Procedures for the RRPTs

Management of MESB Group will take into account the pricing, level of service, quality of service/products and other relevant factors in order to ensure that the RRPTs are conducted at arm's length basis and on normal commercial terms consistent with the Group's normal business practices and policies and will not be prejudicial to the shareholders.

The Group has implemented the following procedures and guidelines to ensure that the RRPTs are undertaken on transaction prices on arm's length basis and on normal commercial terms which are not more favourable to the related parties than those generally available to the public and are not detrimental to the interest of the minority shareholders:

- (i) Management of MESB Group will be notified from time to time that all RRPTs must be undertaken on an arm's length basis and on normal commercial terms, which are not more favourable to the related parties than those generally available to the public and not to the detriment of the minority shareholders;
- (ii) Records will be maintained by the Group to capture all RRPTs which are/will be entered into, which will be available for review by, among others, the auditors and Audit Committee, on a periodic basis;
- (iii) RRPTs will be monitored through management reports made to the Board and to the Audit Committee;
- (iv) The Board and the Audit Committee will review the management reports to ascertain that the guidelines and procedures established to monitor the RRPTs have been complied with; and

The Audit Committee's review procedures will be conducted on a quarterly basis together with the review of quarterly results, or such frequency as the Audit Committee considers appropriate having regard to the value and the frequency of the RRPTs.

2.7 Methods or procedures of determining prices of RRPTs

Generally, the prices, terms and conditions of the RRPTs are based on market rates, the availability of the amount/resources to be transacted or negotiated on a *willing buyer willing seller* basis. The Group shall ensure that at least 2 other contemporaneous transactions with unrelated third parties for similar products/services and/or quantities will be used as comparison, wherever possible, to determine whether the price and terms offered to/by the related parties are fair and reasonable and comparable to those offered to/by other unrelated third parties for the same or substantially similar type of products/services and/or quantities.

In the event that quotation or comparative pricing from unrelated third parties cannot be obtained, the transaction price will be determined by MESB Group's usual business practices to ensure that the RRPTs are not detrimental to the minority shareholders.

In most dealings with Related Parties, companies within MESB Group and the related party have good understanding of each other's business needs thus providing a platform where all parties can ensure timely delivery and provision of services, commitment and reliability of quality services for MESB Group, to enable the smooth operation of the day-to-day business of MESB Group.

The RRPT are reviewed and authorised by the following parties:

Note: 1% and 5% of the shareholders' funds are approximately **RM0.84 million** and **RM4.22 million** respectively based on the latest audited financial statements for the financial year ended 31 March 2018.

None of the Audit Committee Members of MESB have any interest, direct or indirect, in the Proposal.

2.8 Disclosure of RRPTs

Disclosure will be made in accordance with the Practice Note 12 of the Main Market Listing Requirements, which requires a breakdown of the aggregate value of the RRPTs entered into during the financial year, including amongst others, the following information:

- (i) the types of RRPTs made; and
- (ii) the names of the Related Parties involved in each type of the RRPTs made and their relationships with MESB Group.

The above disclosure will be made in the Company's annual report for each subsequent financial year after the Proposal has been obtained.

2.9 Statement by the Audit Committee

The Audit Committee has seen and reviewed the procedures and is satisfied that the review procedures and processes for RRPTs, as well as the quarterly review to be made by the Audit Committee, are sufficient and are appropriate to ensure that RRPTs will be made at arm's length and in accordance with the Group's normal commercial terms which are not more favourable to the related parties than those generally available to the public and are not to the detriment of minority shareholders, and hence not disadvantageous to the Group.

Furthermore, the Audit Committee shall have the discretion to request for additional information pertaining to the RRPTs from independent sources or advisers.

The Audit Committee is of the view that the Group has in place adequate procedures and processes to monitor, track and identify RRPTs in a timely and orderly manner, and the review is done every quarter together with the review of the procedure and processes of quarterly results.

2.10 Validity Period for the Proposal

It is envisaged that MESB Group would, in the ordinary course of business, enter into the RRPTs as detailed in Section 2.4 of this Circular. It is likely that such transactions will occur with some degree of frequency and could arise at any time.

The Board of MESB proposes to seek your approval for the Proposal, which will allow MESB Group to enter into RRPTs as set out in Section 2.4. Such RRPTs are carried out on arm's length basis, on normal commercial terms and on terms which are not more favourable to the related party than those generally available to the public and not to the detriment of the minority shareholders.

Pursuant to Paragraph 3.1.4 of Practice Note 12 of the Main Market Listing Requirements, the Proposal, if approved by the shareholders of MESB, will take effect from the date of the passing of the proposed ordinary resolution at the forthcoming AGM and shall apply until:

- (i) the conclusion of the next AGM of the Company following the general meeting at which the Proposal, at which time it will lapse, unless by a resolution passed at the meeting, the authority is renewed;
- (ii) the expiration of the period within which the next AGM is to be held pursuant to Section 340(2) of the Act (but shall not extend to such extension as may be allowed pursuant to Section 340(4) of the Act); or
- (iii) revoked or varied by resolution passed by the shareholders of the Company in general meeting,

whichever is the earlier.

3. BENEFITS AND RATIONALE FOR THE PROPOSAL

The RRPTs to be entered into by MESB Group are in the ordinary course of business and are intended to meet business needs at the best possible terms which will be of benefit to all the companies within MESB. Such RRPTs will increase the business volume and expand the customer base/range to the existing business of MESB Group without the need for extra sales time and efforts and enabling the existing marketing teams to divert their effort to securing and servicing in other sales and business areas. They are recurring transactions of a revenue and trading nature which are likely to occur with some degree of frequency and may arise at any time and from time to time.

The transactions envisaged under the Proposal may be constrained by its time-sensitive nature and it may be impractical to seek shareholders' approval on a case-to-case basis before entering into such RRPTs. The Proposal will substantially reduce the expenses associated with convening of general meetings on an ad-hoc basis and hence will reduce the expenses associated therewith and prevent administrative inconvenience.

4. FINANCIAL EFFECTS OF THE PROPOSAL

The Proposal will have no effect on the issued share capital, net assets and earnings per share of the Group.

5. APPROVAL REQUIRED

The Proposal is subject to the approval of the shareholders of MESB at the forthcoming AGM.
